511 INTOXICATION POLICY

I. PURPOSE

If a District staff member should have reasonable suspicion of use or possession of alcohol or other drugs, the student will be communicated with and the parents/guardians will be notified requesting that the student be removed immediately. Also a ten-day suspension may be administered with the recommendation that a drug test (urine analysis) be administered (up to \$55 at the school's expense). A negative test would allow the student to return to school immediately. A positive test would result in a recommendation that the student undergo a county assessment, and to follow the recommendations of that assessment.
